

VIPS

New Volunteer Process

Kent School District has a new program that will make the volunteer process more efficient, streamlined, and standardized across the District.

VIPS – Volunteers in Public Schools is using a new online volunteer management system which includes:

- Online application process required to be completed by all applicants
- Automatic approval and notification features

Those wishing to volunteer can select one or many schools to support. Volunteers can make a difference in the lives of students every day, and a robust volunteer program is important to our schools, staff, and students in successfully preparing them for their futures.

To begin the application process, please visit <https://volunteer.kent.k12.wa.us>
Or check your school's homepage or the District's homepage for the Volunteer Tab.

We look #KSDForward to working with volunteers to help children learn and make a difference in our schools.
